All weekly meal plans come with 16 guest passes per semester for use at the Boise River Café. Meal Plan Benefits

Dining on campus allows you to meet up with friends, study and stay connected. The all-you-care-to-eat Boise River Café provides a variety of options to fit your needs. You are more likely to keep up with the demands of college life when you eat scheduled, healthy meals. Having a meal plan makes that much easier and at a lower cost per meal compared to those paying with cash or credit/debit cards.

Meal Periods and Accommodations

For those with a weekly meal plan, each day is divided into meal periods totaling 33 meals per week. Only one meal swipe can be used per meal period. Meal periods can be found at boisestate.campusdish.edu.
