Allergy-Friendly Dining Resources

At Boise State University Dining Services, we understand that eating is an important component of your college experience. We strive to make eating with food allergies or intolerances an easy process.

- Registered Dietitian Nutritionist provided by University Dining to help students navigate their options and dietary needs while dining on campus.
- You'll be introduced to managers and chefs who will be involved in your meal preparation.
- Ingredient lists and allergens for every item provided on Campus Dish website or mobile app.
- Gluten Solutions Program in the Dining Halls.
 - Signs highlights individual menu items that are made without gluten.
 - Entire menu list available of items that are made without gluten.
 - Kitchen staff trained on preventing cross contamination of gluten.
 - Allergy friendly food and beverages available in different locations throughout campus.
